International Air Cadet Exchange

The squadron is very pleased to announce that Flight Sergeant Yarwood and Corporal Twose will be taking part in the IACE. Flight Sergeant Yarwood will be going to Canada and Corporal Twose is off to the USA.

The squadron is very proud to have 2 cadets taking part in the exchange this year. The squadron has previously been very successful with the exchange programme. Last year Flight Sergeant Abbott was fortunate enough to go to Hong Kong and two years before that Cadet Warrant Officer Twose went to Australia. The squadron hopes this years participants enjoy themselves as much as these cadets did.

Wing Table Tennis Competition

This April our best table tennis players travelled to Wing HQ to take part in the Wing table tennis competition. The team was comprised of:

Flt Sgt Barnes	Sgt Sheldrick

Cdt Johnson	

146 Squadron won the competition for an unprecedented third year in a row. Well done to all the team. A special mention goes out to Cpl Holmes who didn't loose a single game and to Mr Curtis for all his hard work training the team. Lets see if we can make it four years in a row next year!!
